Opportunity Information	
Opportunity Title	Trustee, Vice Chair and Deputy Treasurer.
Role Location	Remote
Start Date	September 2024
Role Description	<p>Home-Start Cambridgeshire have a vision of giving the children of Cambridgeshire the best possible start in life. Our mission is to empower parents with the skills, knowledge and emotional resilience to raise their children to flourish. Our trustees take responsibility for the governance of the charity, ensuring we meet our objects, use our money and resources properly, and leading on strategy. We're currently looking to fill up to four roles on our board of trustees. These roles include those of Trustee, Vice Chair and Deputy Treasurer.</p> <p>As a trustee you will be able to use your skills and experience and have a direct influence over our direction and governance. It is a rewarding role, but there are responsibilities meaning you will need to give enough time to help us succeed.</p> <p>We're looking for individuals who understand the important role our charity fills in shaping the life outcomes of children and families in our county, and who want to contribute to our mission.</p> <p>You do not need to have experience of acting as a trustee to apply for our trustee roles, apart from the position of Vice-Chair. For the Deputy Treasurer role, we are seeking expertise in management accounts and financial control. Our recruitment pack covers everything you need to consider our opportunities further; however, we'd welcome an informal conversation with anyone who would like to find out more before applying.</p> <p>We look forward to hearing from you soon because childhood can't wait.</p>
